Summary of key Skills/ Expertise

1. Planning, Co-ordination and Management

- Use of Remote sensing, GIS and GPS tools in developing efficient resource use and management plans for watershed programmes.
- Effective coordination with relevant line Department for identifying best practices to conserve resources and improve productivity.
- Developing convergence plans across the schemes for implementation at the field level.
- Establishing effective coordination between various partners in programme implementation.
- Introducing innovative measures in monitoring, evaluation, learning and documentation (MEL & D).
- Good project and personnel management skills in managing numerous stakeholders and partners with different skills and background.
- Endowed with skills to develop strategies for achieving the desired results by keeping the interest of all stakeholders of programmes/interventions.

2. Research

- Adopting innovative approaches for resource conservation and productivity enhancement
- Using innovative techniques in Farmer Field Schools (FFS) for up scaling the adoption of improved technologies by farmers. Similarly, it was introduced in Watershed Development Programmes which was appreciated by FAO.
- Identifying simple and cost-effective methods for resource conservation such as Trench cum Bund (TCB) waste weirs, intensification of horticultural activities to promote inclusive growth for poverty eradication among the marginalized groups.

3. Public undertaking and Commercial Organizations

- Assessing seed requirement for different areas and planning for its production.
- Enforcement of quality control measures for ensuring profitability to the stakeholders.
- Developing value-added products in different crops.

PERSONAL:

- Born on 14th May 1953. Languages: English, Hindi and Kannada.

ACHIEVEMENTS & AWARDS:

- Secured gold Medal in Ph.D. at U.A.S. Bengaluru, 1986
- Secured National productivity awards for following watersheds
 - Sujala watershed project- Madderi Mallandahalli watershed, Kolar district (1st best award)
 - River valley project- Katralli Subwatershed, Koppal dist (2nd best award)
- Recipient of Green Award (2012) presented by Bharatiya Samaja Seva Trust, Bangalore.

DOCUMENTATION AND PUBLICATIONS:

1. Recommendation on minimum support price for potato, onion and dry chillies in Karnataka for the year 2001-2002 – published in October 2001.
2. Recommendation on price support for arecanut (chali type) in Karnataka State- published in April 2002.
3. Market intervention price (MCP) for coconut – published in May 2002
4. Review of Minimum support price for Ragi crop in Karnataka, May 2002
5. Procurement, storage and disposal of Agricultural and Horticultural commodities – a report – published in April 2003
6. Marketing behaviour of Farmers in Karnataka – field level study – published in July 2003.
7. Review of Methodology of measuring and costing Managerial input, rental value of land and risk in Agriculture.
8. A study on the programme of Regulated Markets in Karnataka – published in March 2004.
9. Market intervention price for dry chillies in Karnataka – published in July 2005.
10. Handbook on implementation of IWMP Watershed Development Department, 2010
11. Manual for training on Skills and techniques for livelihood programmes. (March 2013)
12. Livestock management technique for profitability – manual for village-based training activities. (Mar 2013).
13. Land Management technique for watershed development in Karnataka, 1997.
14. National level Trainers Training on Cotton-Methodology and concept of farmers field school conductance. Presented at DATC, Dharwad on 14-11-2008

Other activities

1. Recognized PG teacher / External guide and included as member in PG student Advisory Committee. Evaluated M.Sc. Agri (thesis) 'Studies on certain pre and post pruning treatments on yield and quality of seedless grapes (*Vitis vinifera*) during 2002 of Sri. Manjunath B., P.G. Student.
2. Worked as President of Institution of Agricultural Technologies (IAT), Bangalore for 6 years from 2003 to 2009.
3. Participated in Inter National Conference on Environment and Health organized by Karnataka Environment Research Foundation, Bangalore during December 14-16, 1998.
4. Participated in International conference on Plant Protection in the Tropics (ICPPT) held at Kuala Lumpur from 8-14th, August 2003.
5. Attended training programme on 'New Dimension of Agri. Extension reforms' from 23.11.2004 to 27.11.2004 at National Institute of Agricultural Extension Management, Hyderabad.
6. Participated in 5th International Conference on 'Children's health and the Environment' at Bangalore from Feb 1-3, 2010.
7. Attended Training Programme in Netherlands on ' Agriculture in Transition : Innovative approaches to sustainable farming 'from 9th May to 20th May 2011.
8. Attended training on 'Quality Assurance systems for Watershed Management' held at Vishakapatnam, from 21-25, Feb 2011 in collaboration with giz. (Deutsche Gesellschaft for Internationale Zusammenarbeit)
